

MARCH NEWSLETTER

From the Administrator

We are so thankful for each family that has come to our school this year. We do not take for granted the fact that you have chosen us to assist you in the development of your child/children. May God bless your every sacrifice that enables you to provide this opportunity for your children!

Please remember to turn in your re-enrollment forms for next year as we will be opening up all grades to new families in March. Let us know about any questions you have regarding this.

From the Office:

Important dates to note:

Parents of elementary students – please notify your child's teacher if you are not receiving or have concerns with the weekly Friday folder. These folders often have important information enclosed and should be checked and signed each Friday.

From the Athletic Director

With the melting of each unpredictable, recurring snowstorm comes the final games of the winter sports season. Despite not having won this season, the middle school Lions basketball team has continued to develop into a future contender, mounting several comebacks on teams easily twice their size. While their VACA season has come to a close, they will finish their season against CCS. The middle school Lady Lions picked up a string of victories at the end of the season to propel them into the VACA tournament, where they bowed out to Grace Christian, the top seed in the central division. The Lady Lions continue to have an impressive season, finding themselves as a #3 seed facing Fairfax on Friday afternoon in their third Final Four appearance in the last six seasons. The Lions, in their second straight Final Four appearance, enter as the top seed and are scheduled to face Fairfax on Friday evening after our girls' game. With four graduating seniors, the Lions are hoping for a different outcome than last year's disappointing performance. The Final Four tournament is being held at Faith Christian School in Fredericksburg, VA. We are gearing up for boys' baseball, girls' softball, girls' soccer, and track in the spring, so make sure you sign up to participate, or join us to support our LCS athletic teams.

From the Pastor

March is always an enjoyable month at Believers since we celebrate our church's anniversary and homecoming. This year is our 26th year! As always, if you are searching for a church home, we welcome you to ours, especially to join us for the annual anniversary Sunday (Homecoming Sunday), on March 20th. We will enjoy a potluck fellowship meal following the service!

From the Senior Class

The Senior Class would like to thank everyone for their continued support in their fundraising efforts - every single penny counts! Stay tuned for April events including a Car Wash, Yard Sale/Bake Sale, and Family Fun Day at Woody's Golf Range! Thank you!!!
