It is the time of year that we begin the re-enrollment process for current families that plan to attend LCS next year. Where grades are full, we do not open registration to new families until our current families have the first opportunity. Please fill out the re-enrollment forms and send them in with the \$150 enrollment fee to secure a spot for next year. Please note that this exclusive time period ends on March 1. After this point re-enrollment fees go up to \$250 and new families will be permitted to register for any available spot.

Families that would like to benefit by paying next year's tuition early may do so at this year's rates if you pay in full by March 1. Please note these tuition rates do not apply to I-20 students.
